

From Malawi,

Ongoing Malawi work : From a worker I support,  
ROBENSON C MHANGO; The Report Of September 2014:

1. On 11-14 Sept, we had WBS preaching with the Gospel Chariot Mission, we had 34 baptisms, 19 were those that I wrote them invitation letters.

2. On 21, I did the bible class at Mhuju congregation on the lesson "Singing or not Singing on the Lords Supper and collection", this subject is causing division in many places in the Lords Church, thus I did so for prevention.

3. On 22-28, the team and I, went to CHITIPA in Nthalire, we proceeded to two places where the team divided, one at MAHOWE the other at MIBANGA which is about 4km, we travelled 10 hrs. and a car hire costs 135,000mk, (about \$360). We had 8 baptisms, 4 at mahowe, 4 at mibanga, preachers were; Robenson C Mhango, Dionkey B Kalua, Timothy Nhlepuni, Charless W Msiska, Christopher Mzumala, Albert Kalua, Oswald Lungu, Phillip K Kumwenda, Innocent Nyasulu, Pyera Msiska, Enock Msiska, Andrew T Msiska, Owen C Nyirongo, Steven H Mhango.

RC MHANGO

This hard worker and his wife have labored and built a house but he needs help with obtaining doors and window shutters. they are coming up on an extensive rainy season. Cost is approximately \$800. Would anyone like to help them? During this month I have been working on the tests for our electives used in the Bible Institute. I never realized how much work is involved in looking up answers or in designing the questions! I may have bit off more than I can chew. I brought four elective books home but I fear I might only get one or two done. Well it keeps me busy! I am having a bit of trouble contacting the Mission lately, (which is not unusual for the Malawi telephone system or internet e-mail.) I shall continue to try since I do need an update on our finances and personnel. There is some good news for us "Southern folk",...so far no hurricanes in sight. We are getting some flooding rainstorms to take their place but given the choice..... no contest!

Flo and I are getting ready to make a trip to South Carolina with at least one reporting place to go to. A side benefit is that we get to see our great grand-daughter on her 1st birthday. (3 great grandsons). I know most of you can relate. It is the one thing we miss when in Malawi.

Short report this month but I can assure you all is going well, both here and at the mission. I have a friend who keeps me informed but am anxiously awaiting hearing from Austin or Joseph personally. I will let you know how this all turns out in the next update. Thank you all again for your continued support, this is your mission effort too!!!

Our Love to all,  
Bob & Flo
