A New Page

Today the Betta View Hills family gets to turn another page. It's been over 2 years since we've had a second minister on staff, with the exception of summer interns, and today that void is filled.

Jake and Brooke Leonard come to us from Florence, AL where he graduated from Heritage Christian University with a major in Bible and a minor in Youth and Family ministry. This is his first full time ministry position and he's pumped with adrenaline to get started working with our kids and their parents. Brooke is finishing up her degree at UNA and will be traveling back and forth to Florence once a week for this semester.

Jake has experience in youth ministry. He has served part time for a few years now. During his ministry he has introduced new ideas that have worked well. He has also faced some challenges brought on by outside influences with the youth group. You can't do this kind of work without facing those things. What I'm saying is that he's been tried and tested and has succeeded.

Personally, I have been looking forward to having another person on staff for a long time. Solomon talks about iron sharpening iron; not counting Athens, Paul always had someone with him; Jesus always sent out the disciples in groups of 2; and besides all that, I could use the help. I am excited about what God has in store for us.

Please welcome Jake and Brooke Leonard to our family.
