## Discipleship

So, I must admit, I am writing this article before Steve even arrives in Oxford, but because I am so confident in his ability to challenge us, I'm just going to say it: *Hasn't this weekend been great!!*

For too long the majority Christians have been satisfied with church attendance being the most important aspect of their walk with God. The question we are compelled to answer is, "*How is that being a disciple?*" How is someone who sits in a pew changing the life of someone who isn't? It's rhetorical. They aren't.

That's why we have men like Steve, Josh, and others who come in and encourage us toward BEING disciples, and in turn MAKING disciples. That's our calling as people of God. That's the Great Commission.

I bet you never knew there was so much discipleship talk in Ezekiel. I know that Steve has brought a whole new appreciation to the writing of this great prophet.

Now....go and do. Don't let these lessons be filed away in your brain folders and forgotten. Let God work in you. Let Jesus bless you. Let the Holy Spirit use you. BE disciples! You will find it incredibly satisfying.
