## A Few Thoughts For Churches ...

1. Spend 100% more time talking about Jesus than you do about issues.
2. If the only thing your community knows about your church is where it's located, then you are failing.
3. There's a 0% growth rate in churches that tell their kids to sit down and shut up.
4. It's always better to have crayon on the walls of your nursery than cobwebs in the corners.
5. Don't be afraid of change, but don't change just for the sake of change.
6. When it comes to your building, God doesn't care about the color of the carpet or the paint on the walls. He does care about people. Be in the people business.
7. Understand that, "The building is open, come join us," is not the same as, "go into all the world."
8. Honor the past, but don't live in it.
9. Be more focused on reaching the lost than you are keeping the saved happy.
10. Be a place where people are comfortable bringing their unchurched friends.
11. Understand that you will never make everyone happy, that's okay.
12. Take risks and NEVER be guilty of saying "But we've never done it that way before."
