## Thank God for Mother's Love

~Anon

*There is no love, like a mother's love,  
no stronger bond on earth...  
like the precious bond that comes from God,  
to a mother, when she gives birth.*

*A mother's love is forever strong,  
never changing for all time...  
and when her children need her most,  
a mother's love will shine.*

*God bless these special mothers,  
God bless them every one...  
for all the tears and heartache,  
and for the special work they've done.*

*When her days on earth are over,  
a mother's love lives on...  
through many generations,  
with God's blessings on each one.*

*Be thankful for our mothers,  
for they love with a higher love...  
from the power God has given,  
and the strength from up above.*

I love this poem. I feel it does a beautiful job at describing the aspects of a mother's love. It stands out from all other forms of love. It is a love that is not earned but is simply there at birth. There is nothing that I have done to earn my Mom's love for me. And I know that there is nothing I can ever do to make her stop loving me. Her love for me is not based on any characteristic or merit of mine. A mother loves her child because that child is from her. A reflection of her. And because of this unconditional love, our mothers are a beautiful reflection of God Himself, and His unconditional love for us. To any mother reading this: thank you.
